Black Creek Appoints New Support Specialist

Birmingham, AL – January 13, 2017 - Black Creek ISC announced that Bill Durney has joined the company as a Support Specialist. Bill brings 20 years of experience to Black Creek in electrical maintenance and customer service. He is excited to join the Black Creek family because he enjoys working with people, meeting customers' needs, and being in a team environment. In his new role, Bill will be responsible for providing customer service and troubleshooting to Black Creek customers.

"We selected Bill for the job because of his outstanding people skills and his past experience in customer service, troubleshooting, and technology maintenance. As the first point of contact for many of our customers, he is a great representation of Black Creek's commitment to excellent customer service," said Jay Tumlin, Black Creek's Service and Support Manager.

More about Black Creek ISC

Black Creek Integrated Systems is a turn-key source for modern, touchscreen-based, correctional facility security control systems and security management software solutions that reduce the cost of corrections. Black Creek focuses only on the corrections market – installing integrated security and records management solutions in jails, prisons, courthouses and government facilities across the nation.
