Black Creek Announces New Sales Team Member

Birmingham, AL – April 11, 2022 - Black Creek Integrated Systems Corp. is pleased to announce the addition of Jeff Fosdick to Black Creek’s Sales & Marketing Team. Jeff brings 32 years of law enforcement experience, with strong emphasis in corrections and sheriff’s office administration, to his new role with Black Creek.

Jeff was a valuable resource to the Wayne Co., NY, Sheriff’s Office from the start of his career in 1990 as a corrections officer to his retirement in early 2022 as Undersheriff. During his tenure, Jeff rose through the ranks of sergeant, lieutenant, and major, finally finishing his career serving as Undersheriff for his last six years. In his various roles with the Sheriff’s Office, Jeff was instrumental in spearheading several initiatives and projects for the agency, including the accreditation of correction

and police services. In addition to being well-versed in corrections law and facility operations, Jeff currently holds a master’s degree in education.

In his new position with Black Creek, Jeff will be promoting Black Creek’s new public safety software suite including Records Management (RMS), Computer-aided Dispatch (CAD), and Jail Management Systems. Jeff’s wealth of corrections and public safety experience will both complement and bring a new perspective to the Black Creek Sales & Marketing Team.

More about Black Creek ISC

Black Creek Integrated Systems Corp. is a turn-key source for modern, touchscreen-based, correctional and public safety facility security control systems and security management software solutions that reduce the cost of corrections. Black Creek focuses only on the corrections market – installing integrated security and records management solutions in jails, prisons, courthouses and government facilities across the nation.
